About our Company

FreeSitesLike builds lists of alternatives so consumers can find similar sites, stores & services online with ease.

Our lists provide important data & useful information so our readers can quickly pick the best options for their needs. New lists of alternatives are published weekly.

Mission and Vision

Our mission is simple - we aim to provide the best resources on the internet while helping consumers find cost-effective alternatives.

Too many consumers make purchases in the dark without reading reviews, comparing alternatives or finding cheaper solutions - we remove the need to do all that by doing it for you.

We Cover

- Online stores
- Review sites
- Social networking platforms
- Entertainment sites
- Offline companies & businesses
- Loan providers & credit solutions
- Any type of website, store or service

Time on Site

Average user time spent on our website is 4 minutes per session (4:03)

Sources

90.3% of our traffic arrives from Google organic keywords. 6.9% is direct & 1.8% is from social media

3.3 M

From January to November 2017, we received 3,321,115 unique visitors

TOP 7

The average amount of websites we add per list is 7. However, some lists get as high as 20 depending on the amount of quality alternatives available
